\$100,000 when [REDACTED]. [REDACTED] did not think she received other money from EPSTEIN.

[REDACTED] told [REDACTED] and [REDACTED] [REDACTED] about having received money from EPSTEIN. [REDACTED] called [REDACTED] and told her that he gave her \$100,000; [REDACTED] then told [REDACTED] that EPSTEIN gave her money as well. [REDACTED] told [REDACTED] that EPSTEIN called her and asked her if she could use or needed money. [REDACTED] [REDACTED] thought that EPSTEIN was just feeling generous with them.

would see EPSTEIN once every couple/few months depending on where they both were at the time. [REDACTED] told EPSTEIN that "it was rough".

EPSTEIN came to Miami to meet with an architect and to help [REDACTED]. [REDACTED] thought this was in early 2018 - months before their conversation in November. [REDACTED] had asked EPSTEIN to come to her apartment in Miami. [REDACTED] gave EPSTEIN a rundown of the renovations, burn rate, and cash. EPSTEIN told them he did not see how they could keep the apartment, saying it did not all add up. EPSTEIN told her that she cannot put her head in the sand. [REDACTED]

EPSTEIN told [REDACTED] that she would always be safe and he would always take care of her. EPSTEIN sent [REDACTED] an email once saying "100% safe".

[REDACTED] [REDACTED] brought up the financial discussion with EPSTEIN. [REDACTED] did not know what EPSTEIN wanted to talk to her about when GROFF called.

[REDACTED] did not ask EPSTEIN for money. EPSTEIN had another meeting after he met with [REDACTED]. [REDACTED] thanked EPSTEIN and sent an email after thanking him. [REDACTED] lent the money to [REDACTED]. [REDACTED] did not report the money on taxes; [REDACTED] was not sure how reporting the taxes worked. [REDACTED] understanding was that EPSTEIN would have had to pay the taxes on the money he gave her.

In April 2018, [REDACTED] was aware of a reporter looking into EPSTEIN. The day the article in the Miami Herald came out she had been aware that someone was looking into EPSTEIN. The article came out before [REDACTED] met with EPSTEIN in November. [REDACTED] thought that she and EPSTEIN may have acknowledged it but did not talk about it in depth. [REDACTED] remembered "skimming" through the article. [REDACTED] did not remember what she and EPSTEIN said about the article; it was not a topic of conversation. [REDACTED] did not think they talked about it afterwards either. [REDACTED] and [REDACTED] talked about it, but did not talk specifically about the article. [REDACTED] and [REDACTED] wanted to figure out the best way to tell their own stories. [REDACTED] had thought about writing a book and told EPSTEIN in which he told her it was a good idea. [REDACTED] did not associate the \$250,000 she received from EPSTEIN to the article from the Miami Herald because EPSTEIN was always so generous to people.

[REDACTED] was stressed about her finances and felt that EPSTEIN was trying to be helpful. [REDACTED] did not know that she viewed it any different currently. [REDACTED] had told EPSTEIN that a journalist reached out. [REDACTED] did not recall EPSTEIN saying anything about it. EPSTEIN did not tell [REDACTED] not to talk to anyone.

The first time [REDACTED] remembered being on the island after [REDACTED] [REDACTED], EPSTEIN asked her to make him a bath and told her to get in with him. [REDACTED] was sitting across from EPSTEIN when he told her that [REDACTED] [REDACTED]. EPSTEIN took [REDACTED] to the bed and she sat facing him. EPSTEIN directed [REDACTED] on what to do and how to touch him. EPSTEIN masturbated. [REDACTED] took this to mean that she had to perform sexual favors [REDACTED]. After this incident, [REDACTED] had a lot of sexual contact with EPSTEIN; it was pretty often, it varied, and happened in all locations. EPSTEIN would wake [REDACTED] up by beginning to fondle her.

There were some situations that involved other people. The first time another person was present it was GHISLAINE MAXWELL. EPSTEIN was laying down. MAXWELL was touching [REDACTED] and instructing her on what to do. MAXWELL told [REDACTED] where to touch EPSTEIN and how to touch him.

Before EPSTEIN went to jail the first time was the last time [REDACTED] had any type of sexual contact with him. EPSTEIN would ask [REDACTED] to come over and sleep in his bed. EPSTEIN called [REDACTED] his "human water bottle". The sexual contact with EPSTEIN phased out. After EPSTEIN went to jail, [REDACTED] did not sleep in his bed anymore.

The majority of the time, the sexual contact would begin with EPSTEIN waking [REDACTED] up by fondling her. EPSTEIN would direct [REDACTED] by grabbing her hand to follow him to his room. EPSTEIN would lay down and masturbate. Sometimes, EPSTEIN would touch [REDACTED], tell her how to sit, and how to move her head. EPSTEIN would ask [REDACTED] to give him blow jobs. In Palm Beach, EPSTEIN and [REDACTED] were working out in the cabana. EPSTEIN was on the bike while [REDACTED] was doing sit-ups. EPSTEIN turned the music up loud and put the hurricane shutters up. EPSTEIN "basically" aggressively raped [REDACTED]. EPSTEIN pulled [REDACTED] pants down and had intercourse with her. This was the only time [REDACTED] remembered him having intercourse with her.

There were two other times, besides the time with MAXWELL, where other people were present during the sexual encounters. There was a time on the island where [REDACTED] was present. [REDACTED] remembered being on the bed with her while EPSTEIN directed them. There was a time in New York where [REDACTED] was present. EPSTEIN asked both of them to come over and it led to a similar situation as had happened on the island with [REDACTED]

In Palm Beach, the sexual contact with EPSTEIN happened in [REDACTED] [REDACTED], the gym, and though she could not picture it [REDACTED] was sure that it also happened in his room. In New York, EPSTEIN would call [REDACTED] over to sleep with him, usually at night. EPSTEIN's "code word" was "cold sheets". In the beginning, EPSTEIN would have [REDACTED] sleep over and it turned sexual. When EPSTEIN was with MAXWELL, [REDACTED] recalled being afraid that MAXWELL would find out because [REDACTED] worked in her building. [REDACTED] thought that when EPSTEIN started dating [REDACTED] he just had [REDACTED] sleep with him with no sexual contact.

On the island, the sexual contact occurred in MAXWELL's bedroom. There were also times [REDACTED] would draw EPSTEIN baths and she would be in the bath and he would lead her to the bedroom.

MAXWELL had approximately four girls, including [REDACTED] [REDACTED], and [REDACTED], on the island for EPSTEIN's birthday. MAXWELL asked them to get naked and wrap themselves in saran wrap. MAXWELL took photos. MAXWELL had a massage table brought down to the beach. MAXWELL had EPSTEIN get on the table with the women surrounding him while she took a photo. All the women were topless. MAXWELL also had them put paint on their breasts to put on a canvas to give to EPSTEIN. [REDACTED] thought this happened around January 2002.

In Paris, EPSTEIN would have [REDACTED] sleep in his bed. EPSTEIN would direct [REDACTED] on what to do, how to sit, where to put her shoulders, and how to put her head so that he could not see her face. EPSTEIN told her that he did not want to see her face. EPSTEIN wanted his nipples rubbed. [REDACTED] remembered being in his bed after he woke her up in her bed in Paris. [REDACTED] stayed with him in Paris.

[REDACTED] recalled EPSTEIN leading her to his bed in New Mexico. Most encounters in EPSTEIN's bed were with EPSTEIN masturbating.

[REDACTED] did not recall sexual contact revolving around a massage room or during a massage. EPSTEIN asked [REDACTED] to give him two "full proper body" massages, once on the island with a masseuse and once on the ranch when no masseuse was available. [REDACTED] massaged EPSTEIN's feet all of the time, along with rubbing his shoulders and cracking his back.

[REDACTED] described EPSTEIN "directing" her meant that he would tell her how to touch him, where to touch him, and how to sit. Sometimes, EPSTEIN would touch [REDACTED].

[REDACTED] recalled [REDACTED] being around during approximately 2002/2003. [REDACTED] was present for a sexual encounter on the island. [REDACTED] viewed [REDACTED] as EPSTEIN's girlfriend. [REDACTED] thought [REDACTED] was a [REDACTED]. [REDACTED] thought [REDACTED] to be in her twenties during this time.

[REDACTED] recalled [REDACTED] being around during approximately 2002/2003.

[REDACTED] did not know how [REDACTED] and EPSTEIN met. [REDACTED] traveled a lot when [REDACTED] had started. [REDACTED] thought [REDACTED] was in college. [REDACTED] viewed [REDACTED] as EPSTEIN's girlfriend.

The sexual encounter involving MAXWELL happened very early on, but did not happen the first time [REDACTED] met them. This happened when [REDACTED] came back. [REDACTED] did not remember how it started, but recalled being on the bed. MAXWELL was naked and told [REDACTED] that EPSTEIN liked his nipples rubbed. MAXWELL told [REDACTED] what EPSTEIN liked and how to touch him. MAXWELL was rubbing his nipples. MAXWELL touched [REDACTED]. MAXWELL and [REDACTED] did not talk about it afterwards.

MAXWELL always made comments and jokes about sex; she was outwardly very open about it. MAXWELL said she had gone to a blowjob class. MAXWELL offered to demonstrate what she learned. MAXWELL discussed this very generally out at the common table. [REDACTED] did not remember who was all present for this conversation. [REDACTED] did not know if MAXWELL engaged in other sexual contact with other women.

When [REDACTED] first started, MAXWELL made a comment to her saying, "Listen to what Jeffrey says; he knows what he's doing. He's very successful. You'd do well to listen to what he has to say."

During the sexual encounters with EPSTEIN, [REDACTED] felt ashamed. [REDACTED] was nervous and scared, not sure what was going to happen. [REDACTED] did not feel that she had a choice. [REDACTED]. [REDACTED] did not know where else to go.

MAXWELL made a comment about other girlfriends being trash. [REDACTED] did not want MAXWELL to put her in that category because she did not want [REDACTED]. MAXWELL was EPSTEIN's girlfriend. MAXWELL approved the bills, ran all of EPSTEIN's houses, and was in control of everything.

[REDACTED] never told anyone what happened. [REDACTED] felt ashamed and buried it deep down. [REDACTED] did not know who to tell; all of [REDACTED] friends were through EPSTEIN. [REDACTED] could not tell her boyfriends because they would get rid of her. One of [REDACTED] previous boyfriends was EPSTEIN's paralegal who she met through EPSTEIN.

[REDACTED] thought that maybe there were times where there was not sexual contact when she traveled with EPSTEIN between 2002 to 2005, but that it happened more than not.

[REDACTED] described the time where she and EPSTEIN were in the gym was the first time she saw him being aggressive. EPSTEIN seemed to have a rage about him. It was unexpected and out of the blue to [REDACTED].

[REDACTED] had no conversations about sexual boundaries with EPSTEIN. [REDACTED] did not want to have sexual contact with him. [REDACTED]

[REDACTED] described EPSTEIN as an overpowering, ominous figure. [REDACTED] could feel EPSTEIN's wrath if she did not do what he wanted. EPSTEIN was mad at [REDACTED] when she booked a car rental and she did not do exactly as he said. [REDACTED] saw him yell at MAXWELL and [REDACTED].

EPSTEIN dictated [REDACTED] hair style, color, and the style of clothes she wore. EPSTEIN had [REDACTED] dye her hair blonde, cut it to a "boy cut", and have bangs. Sometimes, EPSTEIN would go to the salon to tell them what to do to [REDACTED] hair. EPSTEIN would buy [REDACTED] clothes. If [REDACTED] wore clothes that EPSTEIN did not like he would ask her where she got them. When [REDACTED] bought clothes, she would show EPSTEIN to get his approval. EPSTEIN also dictated to [REDACTED], [REDACTED], [REDACTED], [REDACTED], and [REDACTED]
 [REDACTED]

EPSTEIN commented on [REDACTED] weight. EPSTEIN would tell [REDACTED] to "lay off" the brownies and tell her she should go to the gym. EPSTEIN generally made comments to others as well, including [REDACTED].

[REDACTED] would go to EPSTEIN to get approval for every decision she made. [REDACTED] renovated the guest apartments and went to him to get approval for

The first people [REDACTED] told about her sexual encounters with EPSTEIN were her lawyers and then her therapist. [REDACTED] had two conversations with EPSTEIN about writing a book. There was no conversation about putting the sexual experiences in the book.

From 2013 to 2018, [REDACTED] received two large payments, \$100,000 and \$250,000, from EPSTEIN.

[REDACTED] had to sign a health care proxy so that if anything happened to her, MAXWELL and EPSTEIN would be responsible for her well-being. They did not want her family to be responsible. [REDACTED] thought that this was MAXWELL's idea, but she was not sure. [REDACTED] also had to sign a confidentiality agreement.

[REDACTED] visited EPSTEIN when he was under house arrest in Palm Beach. EPSTEIN would get massages from [REDACTED] or whoever was traveling.

EPSTEIN paid for lawyers for [REDACTED]. One of the lawyers was [REDACTED]. This was after EPSTEIN went to jail and there were civil suits. [REDACTED] thought she may have been deposed while he was in jail. When [REDACTED] had a lawsuit against MAXWELL, [REDACTED] was told by EPSTEIN's in house counsel, DARREN INDYKE to find a lawyer and EPSTEIN would pay for it. [REDACTED] paid for some of the expenses of the lawyer. The lawyer was [REDACTED] but he eventually stopped representing [REDACTED] because he was not getting paid.
