██████████ (██████████), also known as ██████████, date of birth ██████████, was interviewed at One Saint Andrews Plaza, New York, New York. Present for the interview were ██████████ attorneys, ██████████ ██████████. Also present was AUSA ██████████, AUSA ██████████, Detective ██████████, and Special Agent ██████████. After being advised of the identities of the above listed individuals and the nature of the interview, ██████████ provided the following information:

In New York, massages for JEFFREY EPSTEIN were scheduled around the same times, usually around 11:00 AM and 4:00/5:00 PM. LESLEY GROFF would be the one who would communicate with those individuals giving the massage. ██████████ would stay at her apartment during the day and sleep at EPSTEIN's house at night. When ██████████ would leave in the morning, she would see people waiting; they were younger women. ██████████ did not know if they were underage but thought they were around her age. They came in normal street clothes. ██████████ saw JOJO escorting them upstairs in the elevator. ██████████ may have overheard that they were there to massage EPSTEIN. ██████████ did not know how she knew but it seemed they were there to massage. They were similar looking women to those ██████████ saw in Palm Beach. JOJO and LYNN FONTANILA, who were married to each other, were at this residence. ██████████ thought this was around 2004. In the later years, GROFF worked at the house. LYNN LNU would keep a piece of paper with the first name of the women with appointments coming in. ██████████ thought LYNN had since passed away.

After EPSTEIN was in jail in the mid-2000's and was on house arrest, EPSTEIN and ██████████ spent time in New York when he was allowed to travel. EPSTEIN told ██████████ that he was not going to "do that" which meant no massages. EPSTEIN felt that he would be a target.

In New Mexico, it was pretty quiet. ██████████ did not think that EPSTEIN

had anyone coming to massage him. EPSTEIN traveled with women to New Mexico. There was a massage room in this residence.

In the Virgin Islands, one or two women would give EPSTEIN a massage. [REDACTED] thought they were licensed masseuses. EPSTEIN would go into the massage room with a woman.

As far as [REDACTED] knew, the people that worked for EPSTEIN in his homes did not massage him. EPSTEIN's assistants did give him massages. [REDACTED] did not know if his assistants only gave massages or were also involved with him. [REDACTED] believed that [REDACTED] was sexually involved with him at some point. [REDACTED] was also involved with EPSTEIN. [REDACTED] thought that most of the women that traveled with EPSTEIN were involved sexually with him. [REDACTED] believed that [REDACTED] was sexually involved with EPSTEIN but thought that stopped at some point. EPSTEIN told [REDACTED] that it stopped with [REDACTED], saying that he was "no longer playing with her". [REDACTED] started dating someone from London; [REDACTED] thought this was before EPSTEIN went to jail.

EPSTEIN used the word "family" when referring to them. [REDACTED] thought the only person EPSTEIN saw as an equal was GHISLAINE MAXWELL. EPSTEIN and MAXWELL had real conversations. EPSTEIN respected MAXWELL. [REDACTED], [REDACTED], and [REDACTED] were all dependent on EPSTEIN. [REDACTED] felt "the longer you were around, it was harder to give up or get out". [REDACTED] did not know how [REDACTED] was able to get out. After [REDACTED] left in 2010, she could see a difference; it felt like she had a new life. [REDACTED] shared that with [REDACTED] and other women that it felt different. [REDACTED] met her current husband (known to law enforcement as [REDACTED]) and [REDACTED] felt this helped [REDACTED] get out. [REDACTED] left around 2012/2013. There was a woman named [REDACTED] who was around for longer trips with EPSTEIN then left.

[REDACTED], known to law enforcement as [REDACTED], and her sister, known to law enforcement as [REDACTED], traveled with EPSTEIN for a while. [REDACTED] thought they stayed after she had left. [REDACTED] was around when [REDACTED] first met EPSTEIN. [REDACTED] left and went back to [REDACTED]. [REDACTED] came back and worked for EPSTEIN after his house arrest. [REDACTED] told [REDACTED] that EPSTEIN was hard on [REDACTED] and quite abusive.

EPSTEIN had some of the women involved with other women. EPSTEIN seemed

to like it. Many of the women [REDACTED] has talked about were involved with other women. [REDACTED] thought that [REDACTED] was involved with other women. [REDACTED] photo was in EPSTEIN's massage room in New York. [REDACTED] was wearing a wedding band and EPSTEIN seemed to like that. EPSTEIN told [REDACTED] that [REDACTED] was with other women. [REDACTED] did not think [REDACTED] was with other women when she was around. EPSTEIN described a sexual experience he had with [REDACTED] that happened before [REDACTED] met him. [REDACTED] and [REDACTED] were not close. [REDACTED] did not know if [REDACTED] was involved with other women.

[REDACTED] had vented frustrations to [REDACTED] that EPSTEIN was unreasonable and tough. [REDACTED] did share with [REDACTED] any instances of physical abuse by EPSTEIN.

When [REDACTED] was at a casting in [REDACTED], either JEAN LUC BRUNEL or someone else came to this casting. [REDACTED] was around 16 years old. [REDACTED] was asked to apply for a tourist visa but it was denied. [REDACTED] then applied for a work visa and it was approved. [REDACTED] met BRUNEL at a dinner party in September. BRUNEL traveled regularly with EPSTEIN. [REDACTED] did not know how close EPSTEIN and BRUNEL were. BRUNEL encouraged [REDACTED] to do things to EPSTEIN including massaging EPSTEIN's feet and being good to EPSTEIN; it was clear BRUNEL approved. BRUNEL and EPSTEIN had a close relationship in that they talked very sexual about women. In early 2004, BRUNEL brought a really young girl to the island. [REDACTED] thought this girl was around 15 years old. EPSTEIN commented about this girl and [REDACTED] being 10 years apart in age. BRUNEL and EPSTEIN would share stories about women they had sexual experiences with.

[REDACTED]. [REDACTED] thought EPSTEIN repaid her debt because she was no longer asked about it. [REDACTED] work visa was through the agency. [REDACTED] had the sense that EPSTEIN could have deported her with one phone call to BRUNEL. EPSTEIN told [REDACTED] that he gave BRUNEL one million dollars to keep [REDACTED] in the country. EPSTEIN had an immigration lawyer, PARDA BESKARDES, who he referred people to help with their visas. EPSTEIN used this to his advantage. EPSTEIN referred [REDACTED] and some women from Russia EPSTEIN helped BRUNEL bring into the United States on tourist visas. [REDACTED] was not aware of any marriages EPSTEIN may have coordinated. [REDACTED] did not remember EPSTEIN being present with her and this lawyer.

There was a short brunette-haired girl that traveled with BRUNEL, but for the most part BRUNEL traveled alone.

BRUNEL sued EPSTEIN. [REDACTED] recalled thinking this was a publicity stunt. EPSTEIN expressed disappointment about this. BRUNEL visited EPSTEIN often while he was in jail. [REDACTED] renewed her visa [REDACTED]. [REDACTED]. [REDACTED]. In 2011, [REDACTED] started her own company and worked on her own. EPSTEIN was not involved in her company. EPSTEIN did help [REDACTED] financially and [REDACTED] put the money she received toward her company.

There were stories of MAXWELL being sexually involved with women. [REDACTED] did not have first hand knowledge of this. There were conversations that EPSTEIN and MAXWELL had in group settings. [REDACTED] saw photographs of MAXWELL throughout EPSTEIN's house.

[REDACTED] remembered girls coming to EPSTEIN's home for massages. It was reasonable to [REDACTED] to think that these girls were paid. [REDACTED] did not remember if she ever saw money on the table. While [REDACTED] was in the room, she did not remember seeing an exchange of money. When EPSTEIN would step out of the room with a girl, [REDACTED] thought he was just talking or connecting with her. Looking back on it now, [REDACTED] thought it was to pay them. There were women in Florida like [REDACTED] that [REDACTED] remembered seeing. [REDACTED] interacted with [REDACTED]. [REDACTED] knew [REDACTED] was there to massage EPSTEIN. [REDACTED] felt embarrassed and naïve because EPSTEIN made her believe that [REDACTED] wanted to be there for [REDACTED]. [REDACTED] also recalled feeling the same about [REDACTED] and [REDACTED].

[REDACTED] recalled a time that there was a vibrator that she and EPSTEIN used. EPSTEIN did not want [REDACTED] to have the vibrator at the house anymore. It was the vibrator that EPSTEIN had and EPSTEIN told [REDACTED] to get rid of it and not to ask why. [REDACTED] did not remember conversations about pictures being removed.

[REDACTED] recalled EPSTEIN had a probation officer that he did not like transferred. EPSTEIN shared this with [REDACTED] and seemed proud of himself.

There was a woman, [REDACTED], whom EPSTEIN hired to work in the office in Florida while he was on work release. EPSTEIN and [REDACTED] had a

falling out. EPSTEIN told [REDACTED] that [REDACTED] tried to blackmail him and he gave her \$50,000. [REDACTED] was told by a friend that [REDACTED] contacted EPSTEIN a couple months before the current investigation into EPSTEIN and tipped him off. [REDACTED] was told that [REDACTED] had the information and warned him.

[REDACTED] recalled walking into the New York office and saw people shredding papers. [REDACTED] did not remember when this occurred.

EPSTEIN shared with [REDACTED] that he felt as though he was being watched. [REDACTED] told EPSTEIN that she wanted to do something about the press. [REDACTED] had an idea but EPSTEIN told her to hold off because there may be something more substantial.

EPSTEIN and MAXWELL talked about sex. In a group setting with other girls, MAXWELL talked about oral sex. This was at the island table. MAXWELL had a specific move she liked to talk about. MAXWELL recommended books to read, including books like "Story of O", and something like "Lessons or Advice of a Wife to a Mistress". MAXWELL was reading this book and told [REDACTED] and other girls to read. [REDACTED] did not recall who all was there for this conversation. [REDACTED] did not recall if the conversation about sex and the books was on the same day.

[REDACTED] and [REDACTED] vented a lot to each other about EPSTEIN. [REDACTED] felt that both she and [REDACTED] were blinded and did not think there was some massive sex trafficking ring going on. [REDACTED] and [REDACTED] thought for years that it was a witch hunt for a wealthy man. In recent years, [REDACTED] shared with [REDACTED] some of the physical abuse by EPSTEIN. [REDACTED] seemed somewhat surprised. [REDACTED] did not share the same experience.
