Case ID #: 31E-MM-NEW (U) EPSTEIN, JEFFREY ██████████

Details: 03/20/2007 Pursuant to a federal investigation regarding the sexual exploitation of minors, ██████████ ██████████, was interviewed by the Federal Bureau of Investigation (FBI). After being advised of the identity of the interviewing agents and purpose of the interview, ██████████ voluntarily provided the following information: ██████████ attended Wellington High School and Green Acres Christian School. After graduating high school, she attended Valencia Community College in Orlando, Florida where she roomed with ██████████. ██████████ met ██████████ through ██████████. ██████████ and ██████████ attended Royal Palm Beach High School together. ██████████ moved into the residence with ██████████ after ██████████ moved out. ██████████ is currently attending Florida Atlantic University, Boca Raton, Florida and is living with Brian Landsman. In the Spring of 2005, ██████████ was introduced to Jeffrey Epstein by ██████████. ██████████ told her Epstein gives girls money for massages. ██████████ and ██████████ met through ██████████ boyfriend. The first time ██████████ visited Epstein's residence she waited downstairs while ██████████ provided a massage to Epstein upstairs. ██████████ provided a massage to Epstein on her next visit to his residence. From Spring 2005 to Fall 2005, ██████████ provided approximately 5-10 massages for Epstein at his Palm Beach residence. The first massage she provided was arranged by ██████████ who had been contacted by ██████████. Later appointments were arranged by ██████████ telephonically contacting ██████████ and asking her if she wanted to "work." ██████████ contacted ██████████ by cell phone and also from an unknown private number. Some of the calls placed to ██████████ occurred while ██████████ was away from the Palm Beach area. ██████████ and ██████████ went to Epstein's residence together when ██████████ provided her first massage. They entered the residence and waited in the kitchen until ██████████ directed ██████████ upstairs. ██████████ treated ██████████ like she was an employee. ██████████ and ██████████ set up the massage table and arranged the towels. ██████████ left the room after the massage equipment was in place. Epstein entered, removed a bath robe and laid on the massage table wearing a towel around his waist. Epstein instructed ██████████ to massage his feet and asked her age, to which she replied truthfully, 18. viewing her chest as she massaged his stomach area. She was wearing a black tank top, leather jacket and jeans. ██████████ provided the massage fully clothed and Epstein made no attempts to touch her or himself. He engaged in conversation with ██████████ while she provided the massage discussing his association with people from Harvard. The majority of the massages took place in the upstairs sauna/bathroom area of Epstein's residence. ██████████ provided the first three massages fully clothed and after the third massage Epstein told ██████████ that she would make more money if she removed her clothing. During the fourth massage Epstein asked ██████████ to remove her clothes. ██████████ took her shirt off, leaving her bra on. Epstein later requested her to remove her pants, which she did. Disrobed to her bra and panties, ██████████ provided the massage to Epstein with her arms outstretched. He asked her what was wrong, grabbed her arms and pulled her closer toward him. ██████████ advised that during the massage he masturbated and stated, "you're so hot" and "you're gorgeous." ██████████ explained that Epstein always pushed a little more and talked dirtier with each visit. ██████████ never observed Epstein ejaculate although he would masturbate in an attempt to get an erection. ██████████ did not think she aroused Epstein because she did not express an interest in him. ██████████ observed Epstein's penis and believed it was circumcised. The last time ██████████ provided a massage, Epstein asked her sex related questions. He asked her if she had ever "done anal." She stated no and Epstein asked her "why not?" She dropped the subject. Epstein discussed a sex toy called "The Rabbit" described as a vibrator with extra pieces on it that resembled rabbit ears. On one occasion, ██████████ went to Epstein's residence to socialize by the pool. She observed ██████████ in the pool topless. While at the pool, ██████████ provided a hand or foot massage to Epstein. ██████████ was paid \$200.00 for the first two clothed massages. She believed he paid her \$300.00 on the third clothed massage because it occurred near her birthday. ██████████ was paid \$300.00 for each of approximately two or three massages she provided wearing her bra and panties. ██████████ stopped going to Epstein's residence when he became the subject of a police investigation. ██████████ told ██████████ that following a New Years Eve party, December 31, 2005, ██████████' purse was missing and a vibrator Epstein had given her was in the purse. ██████████ was also aware that Epstein had provided ██████████ with Victoria's Secret bra and panties sets and a rented Nissan Sentra. ██████████ indicated that she was going to ask Epstein for a vehicle because she shared a car with her mother. ██████████ drove the rented Nissan Sentra for approximately three or four months. Epstein's assistants made arrangements for the Nissan Sentra's routine maintenance. On one occasion at Epstein's residence, ██████████ received a
