residence as looking like a hotel room. [REDACTED] met [REDACTED] in Paris and gave her time to get dressed and they went to a cafe. EPSTEIN was with two girls when [REDACTED] and [REDACTED] joined. EPSTEIN asked [REDACTED] questions about her life, what she had done before, and where she's lived - they were simple questions. [REDACTED] was there for approximately two hours. EPSTEIN said he needed to go back to the house and EPSTEIN invited her to his office. Everyone changed clothes at this time. EPSTEIN told her there were clothes for her in the room. [REDACTED] described the clothes as pajamas. The girls were wearing the same clothes. EPSTEIN asked [REDACTED] to come back to his office to talk about life. EPSTEIN asked another girl to come to the office as well. EPSTEIN was in front of the computer and a girl was giving him a massage while people were talking and chatting. [REDACTED] asked [REDACTED] if she could go to her room because nothing was happening. [REDACTED] thought she was leaving the next day. [REDACTED] told [REDACTED] that she should not go to her room until EPSTEIN allowed her to go to the room.

EPSTEIN asked [REDACTED] to show [REDACTED] to another room. The room was a massage room. [REDACTED] and [REDACTED] were waiting for him. EPSTEIN did not explain why but he just told them to do the massage. EPSTEIN said, "she will show you what to do". [REDACTED] showed [REDACTED] that she should get cream to put on EPSTEIN's legs. EPSTEIN then asked [REDACTED] to leave the room. EPSTEIN asked [REDACTED] why she was so cold and told her, "If you behave this way, you'll never get anything in this life." EPSTEIN went to the massage bed and [REDACTED] was supposed to continue the massage. EPSTEIN told her she was still too cold. EPSTEIN wanted her to feel comfortable and told her to take off her clothes. EPSTEIN laid on his back. [REDACTED] was supposed to massage his chest and while she did that, he started touching her.

The next morning, [REDACTED] was packing her luggage when he asked her to come back to his office. EPSTEIN told her that nothing happened yesterday. [REDACTED] was not there in the house.

Another girl, [REDACTED], whose last name [REDACTED] did not recall, took the place of [REDACTED] in showing her to the room and showing her what to do. [REDACTED] had black hair, skinny, and was younger than [REDACTED]. [REDACTED] was not sure of her exact age. [REDACTED] took [REDACTED] to the massage room. EPSTEIN came into the room

and told her to take off her clothes. He laid down and said to [REDACTED], "Oh you see, she feels comfortable, she's completely fine...you should take off all your clothes, including your underwear". EPSTEIN demonstrated what he wanted her to do on him. Everything that happened the day prior happened again.

Before [REDACTED] left the house, EPSTEIN told her, "Now you should have time to think of future plans...all the things you could get to do here." He mentioned it was her one and only chance in life.

When [REDACTED] was in [REDACTED], EPSTEIN texted her quite often on Skype. EPSTEIN called her a few times on Skype as well. [REDACTED] saw EPSTEIN twice more, once again in Paris and once in Florida. [REDACTED] also received messages from [REDACTED].

EPSTEIN called [REDACTED] and talked to her like everything was fine. [REDACTED] questioned [REDACTED] on why she hid everything that happened to her. [REDACTED] texted [REDACTED] many times to ask her when she was coming back.

EPSTEIN told [REDACTED] that he was going to give her more tasks but she had to come back to Paris. [REDACTED] thought she went back in the beginning of October. No one was in the house. She and EPSTEIN just talked the whole day and everything was fine. [REDACTED] came back to the house. EPSTEIN did not give [REDACTED] any tasks. When she asked him about it, he told her he would not give her tasks because would not want to do what he wanted. EPSTEIN then gave her three tasks, one of which was to find a designer for his house on the island. EPSTEIN then told her to go to the massage room, where the same thing happened as before.

[REDACTED] stated EPSTEIN did not always invite people back a second time. EPSTEIN told her she could go to the United States and work in his office. EPSTEIN transferred her money for her visa and other expenses. [REDACTED] asked for an invitation for her visa and was told that she just needed a tourist visa. [REDACTED] flew to Florida. Her ticket was for a three day trip. It was just [REDACTED] in the house when she arrived around 12AM. EPSTEIN was awake when she arrived and told her to come to the office to say hello. EPSTEIN asked her why she was so tired. At the time, [REDACTED], then

went to her room. Around 7AM the next morning EPSTEIN told her she had time to relax and to come back to the office around 11AM. [REDACTED] went back to his office around 11AM and [REDACTED] took her to the massage room. [REDACTED] told her, "Oh you are lucky, you should do what he wants". EPSTEIN came into the room and told [REDACTED] to leave. EPSTEIN told [REDACTED] that she should be naked. [REDACTED] removed all her clothes and the same thing that happened in Paris, happened in Florida. In the evening, [REDACTED] stayed in her room. On a different day, at the end of the massage he asked her to get on the massage bed and had sex with her. Then he left the room.

In the evening, [REDACTED] went to his office to ask to go outside. [REDACTED] had friends in Miami and wanted to visit them. EPSTEIN asked her to call them and asked her to sit on his knee. [REDACTED] started crying. [REDACTED] was afraid he was going to force her to do the same thing again. [REDACTED] took her clothes and went to see her friends because the next morning she was supposed to leave. [REDACTED] slept at her friends' home that night.

At one point, [REDACTED] heard screaming from the massage room.

[REDACTED] asked [REDACTED] why she was leaving and said, "don't you want to do the massage...you should do this before you leave."

The tickets came from [REDACTED]. If [REDACTED] had questions [REDACTED] would communicate with [REDACTED] or [REDACTED].

[REDACTED] received money in Paris. Before everything happened in Paris, EPSTEIN gave [REDACTED] money. When she asked why he was giving her money, he thanked her for coming. On the first day, she was grocery shopping - EPSTEIN told them they could shop.

After her trip to Florida, [REDACTED] [REDACTED] [REDACTED] [REDACTED] [REDACTED] did not know if [REDACTED] saw her social media. [REDACTED] sent [REDACTED] a text saying she wanted to meet up with her and saying that maybe [REDACTED] would want to meet up with EPSTEIN. [REDACTED] traveled a lot and did not see EPSTEIN again.

In Paris, the second time she visited EPSTEIN she saw other girls who appeared Slovenian.
