Date of entry 03/27/2019

██████████, date of birth (DOB) ██████████, was interviewed at her residence ██████████ West Palm Beach, Florida. After being advised of the identity of the interviewing Agents and the nature of the interview, ██████████ provided the following information:

██████████ has been contacted repeatedly by news outlets regarding JEFFREY EPSTEIN. ██████████ was not interested in news stories. ██████████ stated, "Something bad happened to me, and I dealt with it the best way I could." ██████████ provided that she does not remember all of the smaller details, like where phone calls that would set up massages originated from, but ██████████ remembers "large details" like what EPSTEIN's house looked like and what "we did."

██████████ provided that any new victims identified would need protection. ██████████ was "harassed" by EPSTEIN's private investigators and the media when the case was initially investigated years ago. ██████████ and other girls were followed, watched, threatened, and harassed.

██████████ still talks with ██████████ but advised that ██████████ will likely not speak with Agents about EPSTEIN.

██████████ was interested in meeting for another interview and is willing to be contacted further.
