upwards, advised ██████ to straddle him while she was massaging his abdomen. Epstein then grabbed ██████ by the hips and started moving her in an up and down motion. At this point Epstein's towel was off, but ██████ was still wearing her underwear.

██████ and Epstein's genitals were rubbing against each other. Epstein then directed ██████ to massage his testicles, while simultaneously he had his fingers in ██████ panties. ██████ was unsure if Epstein penetrated ██████, but he was at the very least fondling her. Epstein continued to have ██████ go up and down until eventually he ejaculated. Epstein then thanked them, he left the room, and ██████ and ██████ got dressed. When they walked out, the secretary handed them each an envelope. ██████ believes there was between \$250 and \$300 in the envelope. ██████ remembers the money was in big bills.

██████ stopped speaking with ██████, was never close with ██████, and is still friends with ██████ on social media. ██████ did not know the name of the secretary but described her as being a middle aged Caucasian woman, with glasses and brunette hair.
