

FEDERAL BUREAU OF INVESTIGATION

Date of entry 01/14/2020

STEVE SCULLY, date of birth [REDACTED] was interviewed at the Federal Bureau of Investigation St. Thomas Resident Agency in the Virgin Islands by Detective [REDACTED] and Special Agent [REDACTED]. After being advised of the identities of the interviewing Agents and the nature of the interview, SCULLY provided the following information:

SCULLY advised that he worked for JEFFREY EPSTEIN on his private island from approximately 1999-2005 or 2006. During this time period he primarily worked as EPSTEIN's telecommunications technician and helped to install internet and phone systems on the island. During this time period SCULLY estimated that he visited/ worked on the island approximately 100 times. He described EPSTEIN as "a pretty bad guy" and "an intense man". SCULLY knew of two property managers that worked on the island named MILES ALEXANDER and CATHY ALEXANDER. EPSTEIN would not let them both leave the island at the same time. At least one of them would have to be on the island at all times. SCULLY believed they may have moved to South Africa. CATHY hated EPSTEIN. In EPSTEIN's bedroom there were many pictures of young girls and that disgusted CATHY.

SCULLY stated EPSTEIN was always very concerned about having proper phone and internet service available at all points on his island. Money never seemed to be a concern for EPSTEIN when it came to these matters. He discussed setting up services between his island and his New York, Florida and Paris homes.

SCULLY recalled seeing a pool guy on the island, who EPSTEIN brought from West Palm Beach. This pool guy tells SCULLY "what's with the young girls" and "I turned a blind eye". He also told SCULLY that it was worse in West Palm Beach. SCULLY ended up quitting the next day over hearing this.

SCULLY discussed seeing a picture of [REDACTED] [REDACTED] topless in EPSTEIN's

Investigation on 08/09/2019 at St Thomas, Virgin Islands, United States (In Person)

office. In this picture [REDACTED] was with two other girls, who were also topless and believed to be about 15-16 years old. This picture was taken on the island.

SCULLY recalled seeing BOSCO, the engineer, on the island often. BOSCO tells SCULLY that [REDACTED] is like EPSTEIN's daughter, and she does special projects for him. BOSCO told SCULLY, "If you like working here you do not ask about [REDACTED]".

SCULLY was to never talk to the guests, and if needed, he would have to go through MILES. SCULLY never asked any of the girls their ages.

SCULLY recalled EPSTEIN's attorneys staying at the island on one occasion. One of EPSTEIN's attorneys name was ALAN and he was a "dick".

EPSTEIN would have a chef that traveled with him to the island to cook when he hosted "special parties". "Special Party" meant that there was going to be young teenaged girls there.

LES WEXNER was always #1 speed dial on all of EPSTEIN's phones.

SCULLY recalled seeing three young girls and a man in the "grotto" area of the island. These girls did not look 18 and they were all naked.

On one occasion, SCULLY was on a boat with EPSTEIN and two young teenaged girls. SCULLY believed these girls were about 14 years old because that's how old his daughter was at the time. They seemed very comfortable with EPSTEIN and stood next to him at the wheel as he drove. SCULLY sensed something was wrong.

SCULLY met GHISLAINE MAXWELL on the island. MAXWELL is a gutsy and manipulative woman. MAXWELL shared an office with EPSTEIN.

At one point, EPSTEIN required all of his personal bodyguards to carry guns. Some of them would be kept on ankle holsters. This started after 2001.

There was an area in EPSTEIN's room for his massage table to be set up. The table was portable and sometimes would be set up in the bedroom or on the deck outside. SCULLY never observed him getting massages and this was not a topic of conversation. SCULLY presumed the massages were done by the

girls on the island and he believed that the massages were sexual. Sometimes these girls would stay in his bedroom and not in guest rooms. SCULLY would observe massage oils in the bathroom. SCULLY observed a list of persons to give good massages and "extras" in EPSTEIN's office.

Prince Andrew was observed to be there with a bodyguard. SCULLY recalled him grinding against some young girl in the pool.
