Let me know if you can get it within a 2 week period and if you need proof that you are going somewhere.

David,
I tore my house apart yesterday searching for my passport. Apparently it really is lost. I've looked into replacing it quickly, but without proof of foreign travel i may have to wait the normal few weeks. I am trying to make an appointment at the agency in Miami, but of course "due to a high volume of calls" I haven't yet been able to get through. I'm trying not to get frustrated, because the more i think about it, the more i want to come [REDACTED] so that's the status on that.

My friend [REDACTED] and i were drooling over the video and website. She's a personal trainer/gym manager, so of course she wanted to know what kind of fitness room was there, and i was trying to see what kind of potential there was for a mini spa/salon, haha. we have big ideas for opening a gym/spa/salon together, and have been talking about locations and size, etc. maybe [REDACTED] needs a kickass trainer and really hot stylist/massage therapist to revamp one of the 11 islands..(nudge nudge wink wink)
:)
that would be awesome.

anyway, thanks so much for thinking of me, and (maybe) inviting me to come see this paradise!!! i'll keep you updated on this passport nightmare.
hope your day goes well, and don't stress out!!!! that's what zanax is for, haha.
