 Subject: [EXTERNAL] EXTREMELY URGENT - Our Client – [REDACTED] - Urgent request re redactions

Dear Sirs,

Our Client – [REDACTED] - Urgent request re redactions

[REDACTED] We ask that the Court respects her right to privacy regarding maintaining redactions on [REDACTED] and elsewhere. Unredacting her name is extremely dangerous to her personal safety (regardless of the irrevocable damage it does to her personally). Un-redacting her name will add fuel to this fire. We ask that you and the Judge follow your moral compasses here. This request is urgent and very serious.

Please let us have urgent assurances that this will be taken into account when you are considering redactions.
