This whole time, [REDACTED] believed that EPSTEIN was in jail, which may be the reason why she never spoke to police about what happened to her. Recently, she saw an article on facebook about his new arrest, which lead to her wanting to speak out.

Between the ages of 15 and 18, when [REDACTED] lived in NYC, [REDACTED] [REDACTED]. [REDACTED]. [REDACTED] got a job at a clothing store [REDACTED]. [REDACTED] described to [REDACTED] that she has a nice guy that she works for, and she gives him massages. [REDACTED] offered for [REDACTED] to come in and massage him. [REDACTED] referred to him as "Jeffrey".

[REDACTED] agreed and soon thereafter they go together to EPSTEIN's house. They may have traveled there together via train or cab. [REDACTED] recalled going into a library type waiting room inside his house. The carpet in this room was unique. Then she recalled going into an elevator. From the elevator she walked straight into a massage room. [REDACTED] left [REDACTED] alone in the massage room. She recalled the hallway, ceiling and rug on the floor being very pretty. There was a picture of a woman (possible Asian) in the hallway. There were artistic pictures of naked women on the walls inside the massage room. There was a shelf with drawers, oils, candles and scents. It was a dark room, which may have had a red light. It had several openings to the room, with a possible curtain.

Soon after [REDACTED] entered the room, EPSTEIN walked in wearing sweat pants and a T-shirt. EPSTEIN removed his pants and told her to take off her clothes. [REDACTED] does not want to, but he comes closer to her and she inevitably takes her shorts off. He laid on the table face down. EPSTEIN instructed [REDACTED] to take some oils and warm up her hands. He told her to touch him. [REDACTED] recalled his skin being "loose". Soon after that, he turned over onto his back and began touching himself. She had never seen a "thing" before this. She remembered it was small and that's why she figured he preferred young girls because he must have been embarrassed. When she was done she met [REDACTED] who was waiting for her in the kitchen and they left together. [REDACTED] paid [REDACTED] \$300 after leaving the location.

The second time that [REDACTED] went to EPSTEIN's house was similar to the first time. Once inside the massage room, EPSTEIN entered and took his pants off. He may have been carrying a newspaper or a book. EPSTEIN was very complimentary of [REDACTED]. EPSTEIN told [REDACTED], "you are so beautiful, you are so young", as he is taking off her bra and then told her, "it's ok". After he removed her bra, [REDACTED] was only wearing underwear. [REDACTED] was a virgin at this time. Eventually EPSTEIN turned onto his back, got up and grabbed a toy (described as a small massager). He then got back on the table and pulled [REDACTED] on top of him. EPSTEIN tried to "do it" with [REDACTED] but she covered herself using her hand so that he could

not. At the time, [REDACTED] felt as though EPSTEIN seemed important, and she thought that he may have been a doctor. She did not want to be there but felt as though she could not leave. [REDACTED] thought/hoped that someone would come in to stop it but they didn't. The massage room felt as though "you are trapped inside of it and once you start you cannot leave". [REDACTED] felt like she wanted someone to walk in but they didn't. This second time was much more intense than the first time. He had his hands on "there". He pulled her underwear to the side and was very pushy, but not forceful. EPSTEIN made it seem like it wasn't forceful because "it was like a dance he did". He wanted [REDACTED] to "touch him down there" but she avoided it. [REDACTED] had never seen "one" before. [REDACTED] looked at it at first when he took his pants off. When [REDACTED] was on top of EPSTEIN, she recalled him pulling her closer to him. ([REDACTED] did not want to go into further detail about her experience at this time.) Once she left, she stopped answering her phone because she did not want to go back.

[REDACTED] never went inside of the room with [REDACTED]. [REDACTED] was around EPSTEIN both prior and after [REDACTED]' experiences with him. [REDACTED] believed that EPSTEIN sent [REDACTED] a scarf with a note attached around that time period, which she may have kept. [REDACTED]

Sometime later [REDACTED] recalled bringing her 19 year old friend, [REDACTED] [REDACTED], to EPSTEIN's house. She recalled this appointment being arranged by someone named "[REDACTED]" or "something with a [REDACTED]". This woman called [REDACTED] to arrange the appointment. [REDACTED] was a friend of [REDACTED]' cousin ([REDACTED]). [REDACTED] and [REDACTED] traveled together to EPSTEIN's house via car ([REDACTED] drove). [REDACTED] recalls that she sat outside of the massage room while [REDACTED] was inside. [REDACTED] believed at the time that EPSTEIN was married with kids because of all the photos he had of himself with kids throughout his house. EPSTEIN paid [REDACTED] \$300 after the massage and gave [REDACTED] another \$200 to give to [REDACTED]. [REDACTED] tells [REDACTED] to keep all of the money as she felt bad about bringing her. Sometime after they left EPSTEIN's house, [REDACTED] received a phone call telling her to not bring [REDACTED] back again because she was too old. [REDACTED] received several phone calls to come back herself but she did not go.

[REDACTED] remembered having many of her friends on "AOL" (America Online). [REDACTED] does not recall what her phone number was around this time. [REDACTED] thinks her cell phone number around this time was associated with her cousin [REDACTED] phone account. [REDACTED] complained that lately she has been having nightmares of EPSTEIN walking into her room. [REDACTED] told her mother about the situation and that she felt used and dirty.

[REDACTED] recalled both incidents occurring between 9/11/2001 and 1/24/2002 ([REDACTED]). After the second incident, [REDACTED] called [REDACTED] several times to ask if she wanted to go back, to which she responded no.

All of the details of [REDACTED] experiences with EPSTEIN were not discussed during this interview.
