[REDACTED] Once [REDACTED], she only went to EPSTEIN's house once every couple of months. [REDACTED] tried to bring some girls from [REDACTED], but EPSTEIN turned them down, except one who looked really young. [REDACTED] brought a girl who looked young, but was actually over 18 years old, to EPSTEIN because EPSTEIN "liked girls who looked young." EPSTEIN looked at the girl and at [REDACTED], pulled money out of his robe or pants, gave them the money and told the girl, "Thanks for your time." The first time [REDACTED] had brought a girl who was over 18 years old, EPSTEIN told her, "[REDACTED], you know better. You know what I like." [REDACTED] brought a black girl one time and EPSTEIN turned her down.

[REDACTED] recruited girls from house parties, school, and from her neighborhood. When [REDACTED] would go to house parties, she would tell people that they could make money to massage a guy that she knew. [REDACTED] tried to bring girls more than three times. [REDACTED] saw [REDACTED] at EPSTEIN's house multiple times. Girls that [REDACTED] brought to EPSTEIN included [REDACTED], [REDACTED], [REDACTED] (whose last name she thought may have been [REDACTED]), and [REDACTED]. [REDACTED] stated [REDACTED] was a little older than [REDACTED] but was still under 18 years old when she went to EPSTEIN.

[REDACTED] thought that [REDACTED] may have brought [REDACTED], hereto referred to as [REDACTED]. [REDACTED] stated EPSTEIN was inappropriate with [REDACTED]. EPSTEIN called [REDACTED], apologized, and bought her a swimsuit. [REDACTED] described [REDACTED] as looking "young." When [REDACTED] brought [REDACTED], [REDACTED] came downstairs very distraught. EPSTEIN told [REDACTED] he would pay \$300 for [REDACTED]. EPSTEIN paid \$300 for both [REDACTED] and [REDACTED]. [REDACTED] stated that she knew EPSTEIN especially liked [REDACTED] because he paid more money for her.

[REDACTED] thought [REDACTED] brought [REDACTED], who [REDACTED] felt did not presently want to be involved with talking about EPSTEIN. [REDACTED] thought [REDACTED] also brought [REDACTED], hereto referred to as [REDACTED]. [REDACTED] thought that she was at [REDACTED] house when [REDACTED] came over and they all went to EPSTEIN's house together. [REDACTED] used to work at [REDACTED], so EPSTEIN called [REDACTED] "[REDACTED]."

[REDACTED] talked about a time where she was massaging EPSTEIN and he got up to bring in another girl, [REDACTED]. EPSTEIN was behind [REDACTED], where she could not see him. EPSTEIN wanted [REDACTED] to straddle [REDACTED] and "do things" to [REDACTED].

[REDACTED] stated, "He touched me in ways that I never wanted." At this point, [REDACTED] did not want to go into all of the details around this incident. [REDACTED] stated [REDACTED] went into the steam room, and EPSTEIN made a comment to [REDACTED], "Look at her, she doesn't even realize what happened." [REDACTED] stated this incident was a contributing factor to her not wanting to continue to go to EPSTEIN's house.

[REDACTED] had seen [REDACTED] around EPSTEIN's house before that time. [REDACTED] saw different women walking around; the majority of them did not speak English. There were girls who resembled [REDACTED]. [REDACTED] tried to communicate with them but there was a language barrier.

[REDACTED] brought girls to EPSTEIN steadily over a two year period. As more time went on, EPSTEIN became annoying because he kept asking for girls. During this time, [REDACTED] was working [REDACTED] and did not need the money anymore.

[REDACTED] was called by EPSTEIN directly, [REDACTED] ([REDACTED]), and [REDACTED] ([REDACTED]). [REDACTED] would sometimes call and tell [REDACTED] to hold on so she could get EPSTEIN on the phone. [REDACTED] thought one of the numbers began with [REDACTED]. [REDACTED] thought one of the numbers was a New York number beginning with [REDACTED] or something similar. One call [REDACTED] received showed up all zeroes.

[REDACTED] did not travel with EPSTEIN. [REDACTED] did not think she had any photos taken in his house. [REDACTED] stated she had braces when she went to EPSTEIN's house and thought her attorney had photographs of she and [REDACTED] from that time period.

EPSTEIN bought [REDACTED] a lot of different things, including a golden rattle with initials on it for her baby. [REDACTED] did not recall receiving a book on massages from EPSTEIN.

[REDACTED] described the first time she would bring a girl to EPSTEIN's house. [REDACTED] brought the girl upstairs, set up the massage table, got towels, picked out a lotion, then sat on the couch to wait for EPSTEIN. EPSTEIN would walk in the room, in either a towel or robe, and introduce himself. The girl would be on one side of EPSTEIN, while [REDACTED] was on the other side, and each girl would massage a side of EPSTEIN for approximately 30 minutes. [REDACTED] and the girl would be in their panties or in panties and a bra. [REDACTED] stated 98% of the time EPSTEIN would barely speak to them. EPSTEIN talked on his

cordless phone all the time. EPSTEIN asked the girls "little questions," like where they were from. [REDACTED] did not recall EPSTEIN asking any girl how old they were. [REDACTED] did not recall EPSTEIN asking girls for identification. EPSTEIN would roll over and tell [REDACTED] that she could go downstairs and they would make her something to eat. EPSTEIN also told [REDACTED] that the money was in his robe. [REDACTED] would go the kitchen and there would be a chef present, whose face she could not recall. [REDACTED] recalled that most of EPSTEIN's staff were men with black uniforms.

[REDACTED] described that when she set up the massage table, she also set up the sauna room or steam room. The steam would fill the room and a noise would be set off which is how they all knew when the 30 minutes was up. After the girl would get dressed, EPSTEIN would go into the steam room.

Sometimes, [REDACTED] would be downstairs and they would talk. [REDACTED] thought [REDACTED] [REDACTED] and recalled [REDACTED] talking about [REDACTED] a lot. [REDACTED] would tell [REDACTED] that she had asked a girl to massage EPSTEIN, but the girl hadn't responded. [REDACTED] stated that [REDACTED] was "definitely the scheduler." [REDACTED] could not recall everything that was said. [REDACTED] would tell [REDACTED] the girl's height, hair color, and give a general description of the girl. The girls would be young and white with no tattoos. [REDACTED] recalled conversations with [REDACTED] where she commented, "Oh, he'd definitely like her" when referring to a new girl. [REDACTED] recalled telling both EPSTEIN and [REDACTED] about some of the girls' schedules when making appointments. [REDACTED] explained to EPSTEIN and [REDACTED] that a girl could not make a certain time because the girl had school or because the girl did not want her parents to know.

[REDACTED] was the only one [REDACTED] scheduled with for a long time. [REDACTED] told [REDACTED] she was calling from New York to schedule appointments. For an approximate two to three month period, the scheduling switched to [REDACTED], who [REDACTED] described as having [REDACTED] [REDACTED] met [REDACTED] at EPSTEIN's house and she seemed to be doing the same job as [REDACTED]. [REDACTED] would be in the office area that [REDACTED] would work in. [REDACTED] talked about voicemails being left about scheduling.

Sometimes [REDACTED] wandered around EPSTEIN's house while she was waiting. [REDACTED] described there being a gym room next to the pool. [REDACTED] described there being "art of naked bodies", which [REDACTED] thought they may have been

professional photographs. [REDACTED] also described there being photographs of "black kids of Africa."

EPSTEIN sometimes gave the the money to [REDACTED] when she went into the room. Sometimes, [REDACTED] was given money by [REDACTED] when she was downstairs.

When [REDACTED] first went to EPSTEIN's house, there was a driver who would pick her up and drop her off. [REDACTED] thought the driver's name could have been ALEJANDRO or ROBERTO. [REDACTED] recognized that it was the same person picking her up in a four door black suburban. [REDACTED] would go up the street to a gas station to be picked up. Other times, yellow cab was used. EPSTEIN would pay for a cab there but not on the way back because he would have paid her. [REDACTED] recalled that the cab was paid in cash. When [REDACTED] and another girl would arrive at EPSTEIN's house, someone would come out and pay for the cab. [REDACTED] could not recall if it was [REDACTED] or one of the workers who paid for the cab. [REDACTED] felt that the workers already knew to come out to pay the cab when they had arrived. [REDACTED] could not recall why there was sometimes a driver who picked them up and sometimes a cab.

[REDACTED] talked about friends that drove her to EPSTEIN's house. [REDACTED] drove several times. [REDACTED] knew what was going on; she received \$20 to drive. [REDACTED] friend, [REDACTED] knew what was going on, she received \$20 to drive. [REDACTED] described [REDACTED] as having [REDACTED]. [REDACTED] [REDACTED]. [REDACTED]

EPSTEIN always paid [REDACTED] in \$100 bills. [REDACTED] would ask a girl, "Hey, I don't know if you're interested but there's a guy from West Palm Beach, he's older, and he's got a lot of money and wants girls to massage him." [REDACTED] was honest with the girls on the way to EPSTEIN's house. [REDACTED] told the girls that EPSTEIN would roll over and masturbate. [REDACTED] told the girls that they would need to be in their panties, EPSTEIN would roll over, masturbate, and he would want a girl to stand close so he could touch her "ass or boobs." EPSTEIN wanted his nipples touched. [REDACTED] stated that was the main thing EPSTEIN wanted.

[REDACTED] stated EPSTEIN had "Bath and Body Works" lotions. [REDACTED] did not know the brand of sex toys that were used. [REDACTED] never took anything to EPSTEIN's house. [REDACTED] did say she took lotions from EPSTEIN's house.

After seeing EPSTEIN being arrested on TV, [REDACTED] called [REDACTED] to ask her what was going on. [REDACTED] told [REDACTED] that a lawyer had been provided for her, an attorney named BOB CRITTON. [REDACTED] did not call CRITTON. [REDACTED] had seen EPSTEIN a month prior to this. [REDACTED] told [REDACTED] that "If you don't say anything, you will be taken care of." This was the last time that [REDACTED] had contacted [REDACTED] and/or EPSTEIN.

[REDACTED] was not comfortable getting into all of the details of what happened in the room with EPSTEIN. [REDACTED] stated she "remembered it pretty good." [REDACTED] stated if the investigation moved forward she would be comfortable talking about it.

During the interview, [REDACTED] past history was discussed.
