[REDACTED], I don't have any specific memory of her mentioning sexual activity with Dershowitz. I would have to go by the 302 and look at my notes but would believe that if it were mentioned or discussed we would have included it in the 302. I'll unpack and look for the notebook with her interview notes.

Subject: Questions [REDACTED]

Hi [REDACTED] – Sorry to trouble you about this case again, but [REDACTED] is preparing the government's response to a motion to add two additional plaintiffs, one of whom is [REDACTED]. Three inquiries have come up.

The first relates to [REDACTED]'s telephone interview of [REDACTED] early in the case where [REDACTED] stated that she did not want to provide information. Is there a 302 or EC or any other record of that call? If so, can we get a copy of that?

The second relates to the service of the victim notification letter [REDACTED]. Is there any record regarding the date that the service occurred? If so, can we get a copy of that or can you advise me of the date of service?

Lastly, with regard to the Dershowitz motion to intervene, do you have any recollection of [REDACTED] mentioning any sexual activity with Dershowitz? None is mentioned in the 302. Thank you.
