Met through

She called me and said contributed money to Harvard, close friends at Harvard,  
I was on martha's vineyard, he came, it was cordial, never became close personal friends  
Eve of Lesly Wesners 59<sup>th</sup> birthday  
He asked me to go to Lesly Wexner's birthday. He said Lesly had all the money in the world and  
wanted to meet smart interesting people

Flown on Jeffrey Espeins private jet  
Sen. John Glenn, Taubman head of sothobys, one of other people, all male serious academic  
people. We flew back that night

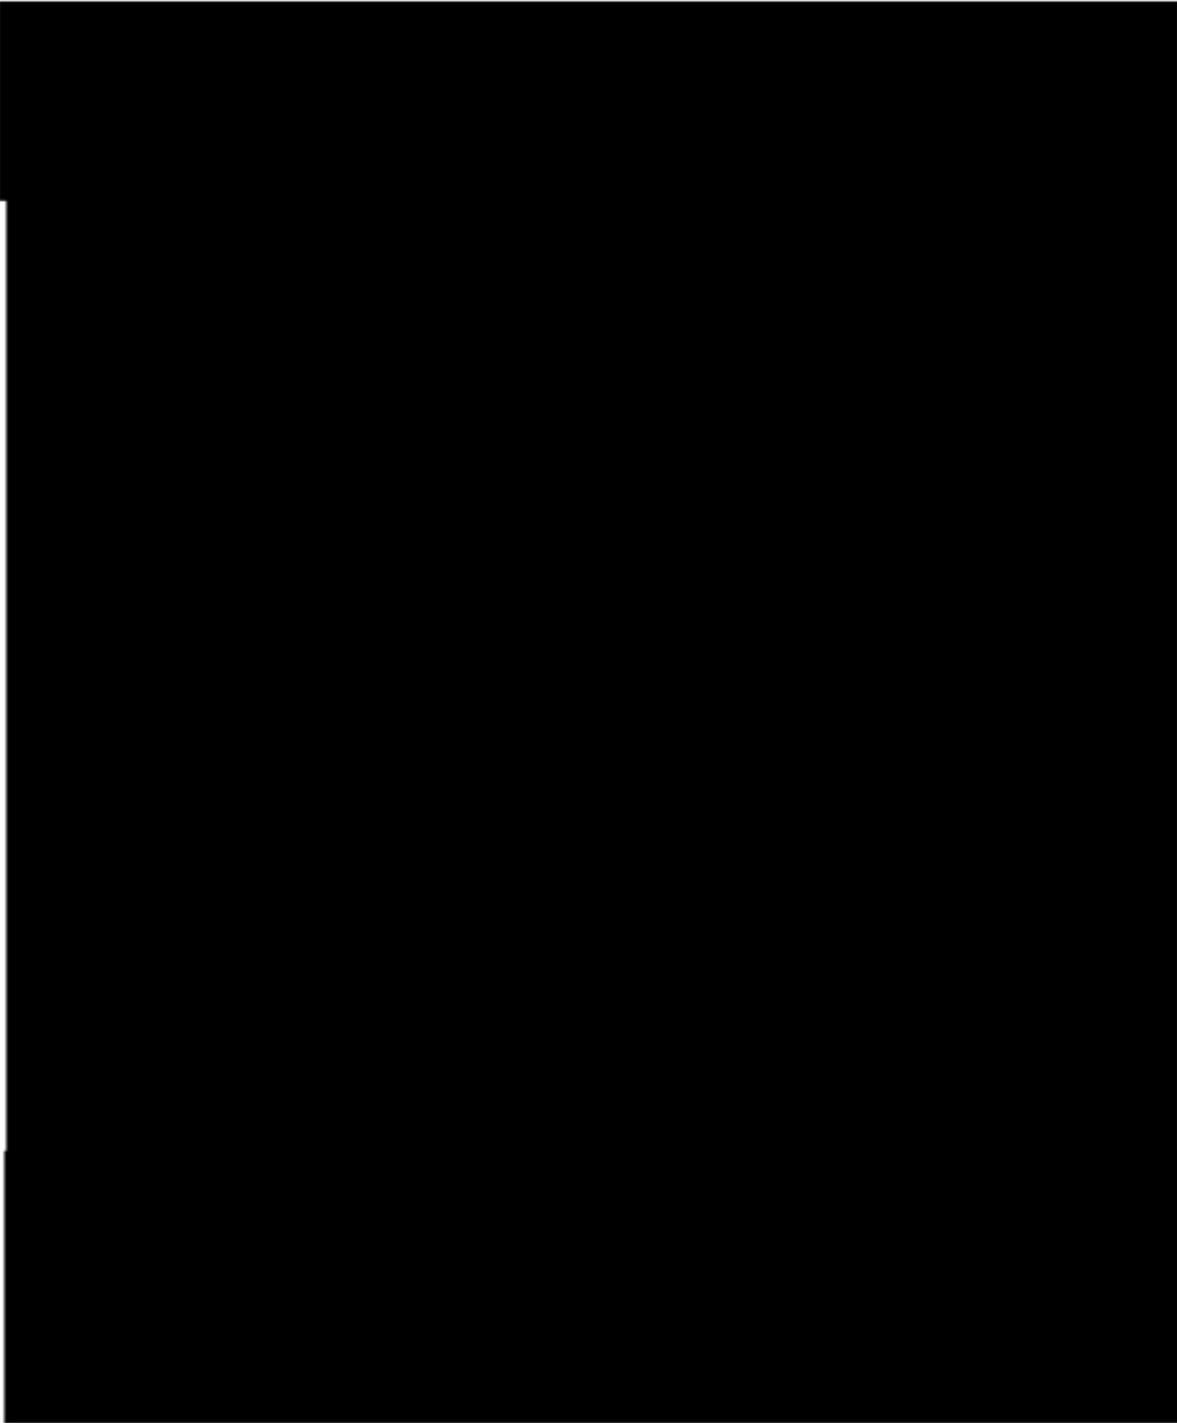

Maybe 1997 1998, over the next 5-7 years I had a lot of interactions with Jeffrey Epstein,  
academic, he set up a situation in Harvard, George Church was there, I would have conferences  
with Jeffrey, on one occasion he asked me to come by his island in the carrabean, my wife and  
was there.

That was the nature of my friendship until 2006. He called me said he was being inveted by girls  
palm beech DA by girls underage of 18. I flew down and discussed it with the state attorney,  
arragned a plea bargain, USAO open investigation. I put together a legal time including lsits  
Kenneth Star, we try to persuade them no case for interstate travel, we made an unusual lplea  
bargin to defer federal prosecton for state charge that made him a sex offender.

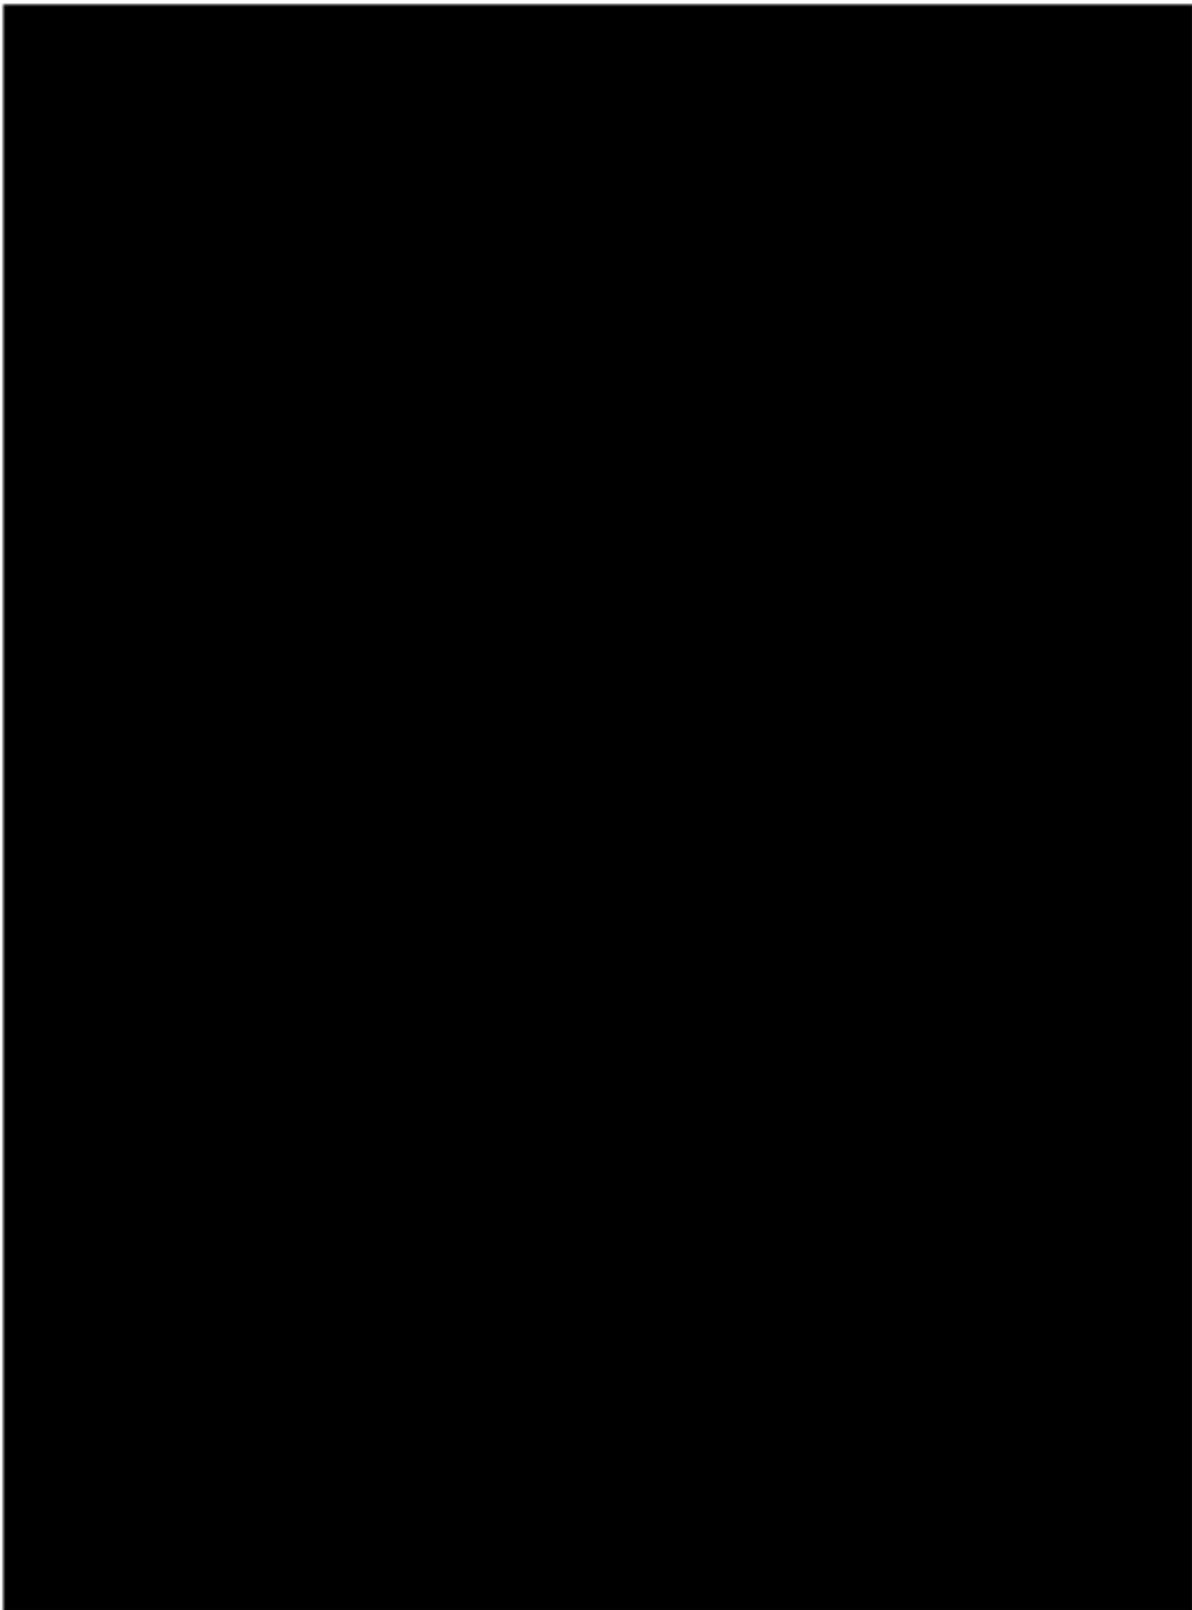

The US attorney who negotiated the plea indicated no accusation against me. None fo the victims  
at this tiem were accusing me. The USA related this to my lawyer in private conversation. I  
asked him for an affidavit, he agreed to give me an affidavit.

It was off and on thing, she went to ██████████, the FBI tried to reach her, I am nto sure the degree  
of contact they had.

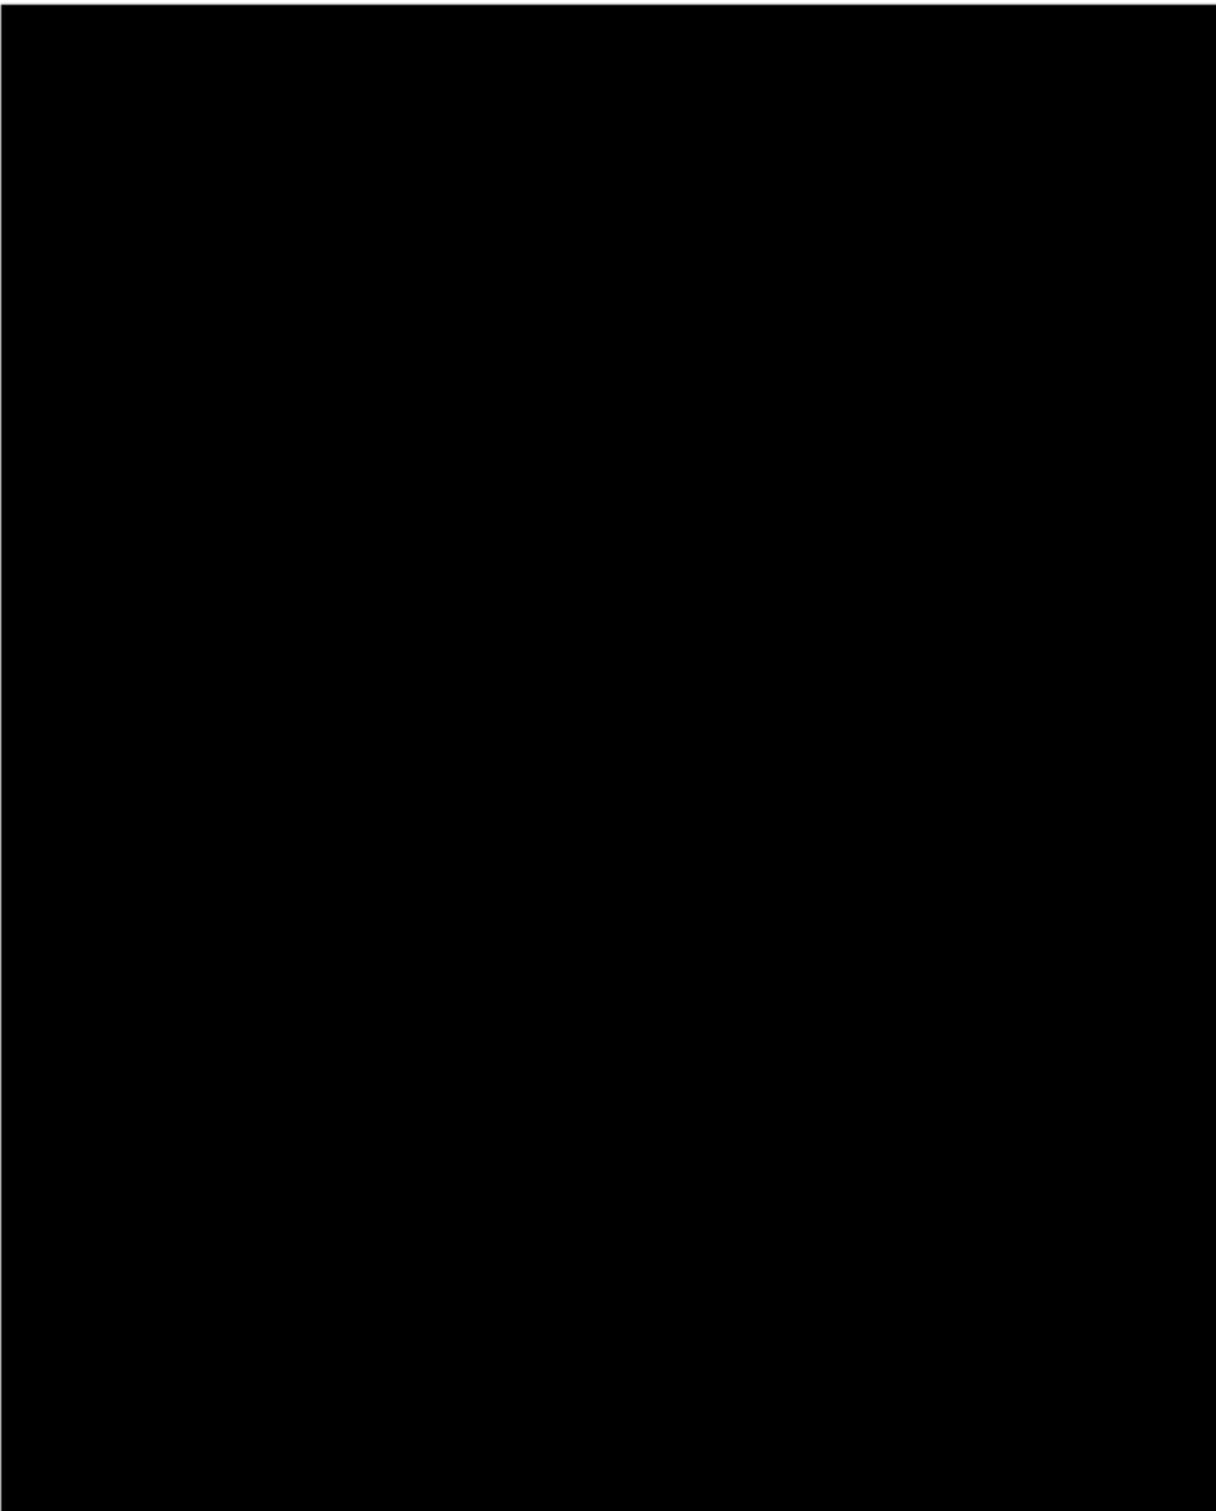

The victims were suing the USAO for having made the deal without having notified the victims. Seeking to get the pleas undown. THE USAO did not want "him" to file an affidavit, he agreed to testify for me if needed to get this done.
