Threat To Life: False

Submitted Text:

my house was wire tapped by the FBI a few years ago in regards to a case with epstein and also my neighbor which i openly agreed to while speaking to an agent on my front porch. I'd like you guys to send an agent out here so I can speak with him at my house. my neighbor is a SCS lieutenant, whatever thats worth to you guys. thats all i will disclose here. "pool basement" i assume will trigger some TODO's for you guys as a pool in a basement with a 20 foot steel door is not a common thing to have in this world. if you guys have seen the video(s), i'm who they refer to as (mainly) "the one" but also "royalty", and "untouchable" before i open the front door i will also ask that you expose your lower shoulders/neck area as there was someone involved in this lead who has the highest grade mask you can possibly find - probably directly from hollywood masters. they're so detailed that the face mask will trick anyone looking and so he can make himself be someone else. there's zero joke to that statement. even police officers have been tricked. i'll strip down buckass naked and spin 360 so you can see i have no ill intent or we can just speak through the screen. but either way, i need to be certain the person i speak to is not wearing a mask. i cannot stress that enough. the

mask wearer has drug shots that can literally change me into another person and i will 100 percent forget everything about everything and anything. assuming you do send an agent out here, make sure he's not driving one of them obvious asf FBI cars with the FBI swag. just wear NORMAL PEOPLE CLOTHES like last time. gym shorts and a dirty ass shirt that looks like you've owned it for 3 decades. i don't want anyone (even my cop neighbor) to know an FBI agent was at my home. he knew you guys were out here last time. maybe you guys contacted him first, i'm not sure. put your necklace badge on a secondary necklace that isnt the classic badge necklace.
