Hello, I am [REDACTED] who has been living in NYC from 1999 to 2006. I was an escort working for high end escorts services. Ghislaine Maxwell reached out to me to meet Epstein. She had my number thru a friend of one of the agency I was working with. She asked me to meet Epstein in a hotel in Manhattan, she was specific about the lingerie I had to wear. Met Epstein with at least 4 or 5 other girls, I was more than 20, I can't remember the age of the other girls. She paid me very cheap. I remember Epstein who was ok and very passive but also recall her. When I finished with Epstein, she called being very angry about me not sending her money.(300\$/half for her, she insulted me and threatened me Not usual for me to have to deal with such an attitude for so little money. I do know about clients who were regulars and proof of them being obviously pedophiles. I do not want money or anything from them. I am honest and sincere. Alexander Guest NYC socialite was one of them. I want to help as much as I can as those people destroyed a part of me.
