Case ID #: 31E-NY-3027571 (U) EPSTEIN, JEFFREY; CHILD SEX
TRAFFICKING

Drafted By: [REDACTED]

Date/Time Received: 07/08/2019 10:27 PM EDT

Details:

On 07/08/2019, at 9:00 [REDACTED]. Eastern Time, [REDACTED], date of birth [REDACTED], telephone number [REDACTED], called the FBI National Threat Operations Center (NTOC) to report information potentially related to the Jeffrey Epstein child sex trafficking case.

[REDACTED] provided the following information:

Approximately 15 years ago, [REDACTED] (now) ex-girlfriend, personal identifiers refused, told [REDACTED] that a few years before they started dating, she had flown out to Palm Beach, FL and then to a location in the Caribbean to meet with well known individuals of which [REDACTED] could not recall the names of. They were mostly politicians, some were actors.

[REDACTED] ex-girlfriend, who would've been in her early twenties at the time, told [REDACTED] that she partied with "rich guys." There was cocaine and "pretty much anything you can imagine."

She admitted that she got about five other females "involved" because it paid well to recruit even though she felt remorse while doing so.

At the time, [REDACTED] didn't take her seriously; however, the press release about Epstein leads him to believe that he may have been wrong. [REDACTED] does not know how his ex-girlfriend was introduced to everything, but mentioned that it may have been through [REDACTED]. He believes that she was involved for one to two years.
