Details:

On 07/08/2019, at 2:34 p.m. Eastern Time, Daniel Kirk, date of birth [REDACTED], called the FBI National Threat Operations Center (NTOC) to provide additional information regarding Epstein.

Kirk provided the following information:

Kirk was watching the news report on Jeffrey Epstein, and in one of the shots of Epstein's home, Kirk noticed that he had once inspected the high rise condominium across the street from Epstein's residence in the late 1990s. The building has an underground garage containing several of Epstein's high-end vehicles. When Kirk asked the building's superintendent who owned the vehicles, the superintendent replied, "the guy across the street." When Kirk asked what the guy across the street did for employment, the superintendent replied, "boys." Kirk attempted to google maps the address but was unsuccessful. Kirk wants the FBI to know that Epstein has vehicles parked across the street.
