[REDACTED]
[REDACTED], contacted the National Threat Operations Center (NTOC), to report information related to Jeffrey Epstein and his potential ties to New York attorney Daniel Moss [REDACTED] and John Trueblood of Hollywood, CA (caller believes him to be a director of movies and television).

[REDACTED]
[REDACTED] Approximately 12 years ago while in Hollywood, CA she attended a dinner party at John Trueblood's home (caller did not know the address). Also in attendance at the dinner party was New York entertainment lawyer Daniel Moss. Multiple other individuals were present at the time, though [REDACTED] could not recall the names of anyone else.

During the party, John began joking about Daniel's "young girls" that he "passes around". [REDACTED] states that the ages of the girls was given at various times as being 14-15 years of age. Shortly after the talk of "young girls" the group began signing a card for Prince Andrew and one individual wrote a "joke" about pedophilia within the card. [REDACTED] could not remember what the "joke" was, other than it dealt with pedophilia.

[REDACTED] believes that there may be a link between Epstein and aforementioned names regarding the trafficking of underage females.
