Date of entry 10/26/2021

██████████ (██████████), date of birth (DOB) ██████████ cellular telephone number ██████████, was interviewed telephonically. After being advised of the identity of the interviewing Agent and the nature of the interview, ██████████ provided the following information:

██████████ MAXWELL usually told her "This is what you do" and then explained what she would do that day. Sometimes ██████████ just hung out, and other times she answered the phones, shredded books, sometimes she massaged EPSTEIN and other times she received a massage. It was different each day.

MAXWELL did not want adults from college; she wanted students from a ballet school. MAXWELL told ██████████ she wanted to refresh her ballet skills. MAXWELL wanted younger girls because she said their skills were more fresh. MAXWELL told ██████████ that the 14/15 age range was better. MAXWELL told ██████████ this specific age range and what school to contact.

MAXWELL asked ██████████ if she had other pretty friends. MAXWELL only wanted pretty girls. MAXWELL wanted girls who did not have a boyfriend; she did not want girls who were attached. MAXWELL asked if there were girls who wanted money and wanted to do secretarial work.

Sometimes, MAXWELL stood and watched ██████████ while she shredded the books. MAXWELL joked with ██████████, saying that she better not be stealing numbers and told her not to steal BEN AFFLECK's number.
