NTOC2019-MC3 190vmd04 Jaffrey Epstein Human Trafficking (NY)

On 07/09/2019, at 6:43 p.m. Eastern Time, [REDACTED] [REDACTED], date of birth [REDACTED] [REDACTED], called the FBI National Threat Operations Center (NTOC) to report that Jeffrey Epstein sexually assaulted her.

[REDACTED] provided the following information:

In 1980, when [REDACTED] was 17, she met Epstein in [REDACTED]. Epstein made fun of [REDACTED], [REDACTED]. [REDACTED] later met at Epstein's office in New York City. Epstein and one of his co-workers were snorting cocaine. From the office, [REDACTED] went to have lunch with Epstein. During lunch, Epstein offered [REDACTED] a pill, which she refused and he took. Epstein later convinced [REDACTED] to go with him to his apartment to see his dog.

Epstein showed [REDACTED] his apartment, located in a Manhattan high-rise on an upper floor near [REDACTED]. Epstein's living room was all white. Epstein then took [REDACTED] to his bedroom, which had padded walls, and that is where he began to beat and try to rape her. At approximately 118 lbs., [REDACTED] believes she was only able to fight off Epstein because of the drugs he had taken. [REDACTED] ran out of the apartment, and was seen by the doorman. The doorman saw [REDACTED] and avoided eye contact, which makes her believe he knew what had happened and that it happened there

often. For 10 years, ██████ told no one. ██████ never reported the sexual assault to authorities.

██████ stated that she knew that the statute of limitations had passed, but she wanted the FBI to know that Epstein had been assaulting females prior to what is believed.
