Details:

On 07/12/2019, at 10:31 a.m. Eastern Time, [REDACTED], date of birth [REDACTED], called the FBI National Threat Operation Center (NTOC), to provide information regarding case number no.: 31E-NY-3027571.

[REDACTED] provided the following information:

In 1989, when she was 18 years old, she attended [REDACTED]. She met Jeffrey Epstein, who was accompanied by a tall, blond woman that looked a little bit older than Epstein, that back then was probably in his 30's. [REDACTED] remembers very vividly how the woman with Epstein laughed when he said a joke using the word "rape."

Epstein invited [REDACTED] to visit him at his office. [REDACTED] accepted the invitation and went to his office alone. [REDACTED] had to wait a long time for him and had the chance to talk to his secretary. [REDACTED] doesn't remember everything, but she remembers the woman was planning a trip to Israel.

Epstein opened the door for her, she entered and he told her he was a Math teacher at Dalton's. [REDACTED] doesn't remember how they ended talking about that, maybe because he asked her about her schooling.
