Hi [REDACTED] this is the friend that I couldn't remember when we spoke:

[REDACTED]

She was blonde when she was over my house [REDACTED] around 2002.

Also [REDACTED] number is [REDACTED] If you do call him, he may link it to me bc I've contacted him about this and [REDACTED] will find out I've reached out to you. They had many drunk nights and [REDACTED] talks when she's drunk so I would say it might be a promising lead?

Best,  
[REDACTED]
