AUSA [REDACTED] notes from call with [REDACTED] attorney for [REDACTED]

[REDACTED] wanted to ensure that AUSAs were aware of the following information:

- At some point, [REDACTED] had a private conversation with JE about the kinds of things that took place on his private island, but he did not implicate anyone else in the conversation, there were no specific names of people other than JE involved in what JE described that [REDACTED] can recall. Generally, JE said something to the effect of: a lot of attractive women and well-off men go to the island to have parties, and group sexual encounters happen on the island.
- [REDACTED] remembered a car ride during her trip to FL when JE directed her to get a ride from Ft. Lauderdale and Miami when she was on the trip to FL. During the ride, a female who appeared to be underage was also in the car, and there was a driver present. Underage female was dropped off somewhere else ([REDACTED] does not recall exactly where), and [REDACTED] was dropped off somewhere as well.
- [REDACTED] was part of organizing a magazine launch party event at the [REDACTED] home in NYC. [REDACTED] invited GM, and GM attended the event. [REDACTED] believes she mentioned this event in April 2021 interview, but wanted to make sure was conveyed.)
- In FL, [REDACTED] told GM and JE that [REDACTED] had met Prince Michele of Yugoslavia randomly at a bar and had cocktails and a night out at a nightclub with him in the fall or winter of 1999.
- [REDACTED] has also compiled a list of people she believes witnessed various aspects of her experiences involving JE. [REDACTED] provided that list to her attorney, who is willing to provide it to the AUSAs upon request. [REDACTED] indicated that AUSAs do not need the list at this point, but will reach back out if that changes.
