I spoke with [REDACTED] and asked whether he had had a chance to speak with his client [REDACTED] about some of the questions we raised. He said he had, and her memories were pretty vague, but:

- She gave JE massages, but didn't consider herself a masseuse.
- Massages weren't sexual, and didn't involve Maxwell or [REDACTED] though she knows them from the island.
- Doesn't recall anything "untoward."
- Recalls [REDACTED] talking to Prince Andrew. Doesn't recall ever using the phrase "the adult in the room."

I asked whether she was willing to be interviewed, and he said he thought she was, and I asked him to get back to me about dates.
