

July 2, 2021 Call with [REDACTED]

[REDACTED]

- [REDACTED] reviewed the property receipts from the October 2005 search of JE's PB residence and does not believe she personally seized any of the evidence.
- It appears she may have been present when [REDACTED] pulled some of the evidence out in early November 2005.
- [REDACTED] would have photographed whatever [REDACTED] instructed, not necessarily every single detail because this was a search warrant not a crime scene.
- [REDACTED] will want to review the video, photographs, and search warrant, as well as any diagrams or crime scene logs available to attempt to refresh her memory regarding the search. [REDACTED] agreed to review these materials during an upcoming in person meeting in Florida.
