Description :

RP called dispatch looking to speak to an officer. I called RP back and he identified himself as FBI Agent [REDACTED]. RP was looking to get an address on the "Maxwell House" so that he could do paperwork for a property seizure. RP also told me that he was trying to get this done before Maxwell liquidated any property as he anticipates a civil suit and they want to ensure something for the victims. RP said he could not locate the affidavit and warrant he had and his partner "Chris" was in court and unavailable and he wanted to get started now.

Disposition **SR Service Rendered No Report Required** EMD Code

Comments **RP was told to submit an official request via his FBI email address. No submission was received from RP on this date.**
