room via an elevator. The house was dark. On other occasions [REDACTED] recalls seeing the kitchen and other rooms.

In the massage room there was a massage table with oils and creams. For this first massage [REDACTED] uses creams to massage EPSTEIN. EPSTEIN usually wore a white robe. This room was warmer than the other waiting room. [REDACTED] waited for EPSTEIN to come in. He didn't say much when he got in. He laid down on his stomach on the table and asked [REDACTED] to get the cream. He tells her how to start the massage. [REDACTED] does not recall if he asked her to or not but she gets undressed. He asks her to do it stronger then he starts talking and asking her questions.

[REDACTED] is shy. She massages his feet and calves. At one point EPSTEIN turns over and started to masturbate. [REDACTED] did not expect it but had guessed that this was just part of it. EPSTEIN asks her to play with his nipples. She is not sure how long it lasted. [REDACTED] gets paid \$300. He probably gave her the money before. [REDACTED] thinks he probably touched her "butt or something".

[REDACTED] does not recall who set up the details for the second appointment. [REDACTED] was always paid \$300 in \$100 dollar bills. [REDACTED] went back the next day and then 4-5 times total that week. [REDACTED]

[REDACTED] is not sure who did the scheduling for the first week. It may have been LESLEY or EPSTEIN. [REDACTED] has met LESLEY and has had contact with her many times.

[REDACTED] was 26 years old.

EPSTEIN's house was around 71 street and Park Avenue and 5th avenue.

During the first week EPSTEIN came out with a vibrator. It was like a back massager. He got up from the massage bed during the massage at some point and put [REDACTED] down with her stomach up and used the massager on her. Her underwear was still on.

In January of 2003 [REDACTED] [REDACTED] went to visit EPSTEIN in West Palm Beach.

EPSTEIN visited [REDACTED] in 2003 with [REDACTED] and [REDACTED].

In July of 2003 [REDACTED] saw him in West Palm Beach.

Later in 2003 [REDACTED] gets offered an apartment by EPSTEIN [REDACTED] City. [REDACTED] stays there for 3 months in the same apartment building that [REDACTED] stays in. In December of 2003 [REDACTED] goes home.

In 2008 [REDACTED] sees EPSTEIN until the end of the year of 2009.

She had contact with him over email and saw him in his office in West Palm Beach during the day.

[REDACTED] never flew on his jet.

LESLEY and [REDACTED] arranged for [REDACTED] travel. All of the trips [REDACTED] went on had sexual contact.

[REDACTED] is not sure if she got paid when she was in West Palm Beach because she had stayed in his house.

Sometimes [REDACTED] would pick up money from LESLEY at the office.

In West Palm Beach the sexual contact happened at least once in his bed in his bedroom. [REDACTED] does not recall specifically giving him massages in West Palm Beach but states she is sure she did.

She did have a sexual encounter with him in his office.

Once she was in his room with another girl he asked [REDACTED] to kiss and touch the other girl while he masturbated. This girls name was [REDACTED] but [REDACTED] does not know her last name. She was about [REDACTED] age maybe a little younger. [REDACTED] was about 28-29 at the time.

[REDACTED] is not sure if she interacted with other girls around January of 2003. In July of 2003 [REDACTED] met [REDACTED] and [REDACTED]

There were no other instances of other girls being involved in sexual contact.

[REDACTED] never talked about the sexual contact with LESLEY or [REDACTED].

[REDACTED] met three of EPSTEIN's friends. She met one in her apartment and

2 at his house.

One of these men (she prefers not to say his name) was paying for [REDACTED] rent in exchange for sex. After about 2-4 months [REDACTED] moved out and asked [REDACTED] if she wanted to take over this arrangement. He would come over once a month.

The second man's name is JOE (last name unknown). [REDACTED] was in New York looking for work and thought EPSTEIN could help. [REDACTED] meets JOE and he asks her to massage him and asks her to do it the same way she does EPSTEIN. He doesn't touch her but he masturbates and asks her to touch his nipples. This happens about 2-3 times around 2008. This happened in New York, maybe in an apartment and once in West Palm Beach. (At this point in the interview, [REDACTED] states that JOE was an old friend of EPSTEIN's and they grew up together in Brooklyn and that they could not figure out his last name.)

The third man's name is HENRY GERECKY. [REDACTED] wanted to find work and EPSTEIN makes her an appointment with GERECKY. She meets with him at EPSTEIN's office in 2008 and nothing happens. Later in 2009 [REDACTED] is more desperate to find work and she meets GERECKY again at his house. [REDACTED] had contacted him. He takes [REDACTED] to his bedroom and they have sexual intercourse. This happens a few times. In December of 2009 she goes back [REDACTED]

In January of 2010 [REDACTED] tries to go back to New York [REDACTED]. She sees him again once in Europe in 2010.

[REDACTED] does not recall if anyone told her what to do with these men.

In November of 2009 [REDACTED] was in Miami and she speaks with EPSTEIN over email. He invites her to West Palm Beach to meet in his office. She was to meet him in the office during the day but she can stay at his house. He would ask [REDACTED] to work at the office. [REDACTED] and [REDACTED] were at the office. There is only one instance of sexual contact in the office with [REDACTED]. [REDACTED] had no contact with Law Enforcement at the office.

On one occasion at EPSTEIN's house in New York [REDACTED] saw a room full of pictures of topless girls. EPSTEIN asked her to take off her shirt and he took a picture of her topless in that room.
