NOTE: This Guardian is being forwarded to the New York Field Office, where Complainant is currently staying, for domain awareness and any other actions deemed necessary.

████ provided the following information:

████ reported ██████████, name not obtained, ██████████████████ ██████████, had a house a few doors down from the Cuomo's at ██████████ ██, and ██████ was taken by boat to Epstein's Island. ████ said it was complicated and involved Jeffery Epstein and Ghislaine Maxwell.

████ also reported a meeting that took place at ████████████████ two years ago. ████ said she is/was ████████████████ and at the meeting the school principal, ██████████████████, said something about pictures of ████ with Epstein. ████ commented she does not know how the school had the information they did, but mentioned a ██████████ Police officer was present at the meeting. ████ remarked it was a not a traditional meeting and the school was upset with her for not being a Trump person. ████ suggested the school wanted her to testify and say things against Andrew Cuomo. ████ added the FBI and President Trump were allegedly on the phone during the meeting. ████ said the meeting was traumatic and trauma does not operate on a timeline.

████ said she has never been treated as a victim, but as someone made to do what others wanted. ████ believes there may be baby pictures of her with Epstein that the FBI may have. ████ said she wanted the evidence for her personal healing and vindication. ████ claims she has been the victim of extraordinary abuse since she was a child and feels she has been gaslighted. ████ mentioned she does not know if she needs a victim's advocate or a lawyer.
