

11/22/21

Saw his face on TV & remembered I took care of him

been following case since JE "murdered" doctor's office

Sept 2000 asked to take care of patient

nurse there b4 me who said they're gonna ask you to stay longer
get the hell out of there as fast as you can

Hotel - one bedroom suite there is
I had separate bathroom balcony

GM came into hotel Rm & introduced
said she her personal asst.

JE inappropriate 3 occasions that night

GM came back & forth 3x

she ^{said} he really liked me & wanted me come back - he loves smart people

she said he knew I was really smart & he liked really smart people

wants me come back & be w/ him

couldnt stand nurses in hospital
not smart like you

said he had friends staying at hotel

When GM came in he asked how everything
going there
she say yea everything going ~~fine~~ well

told me he grew up Rockaway
& math teacher
said he got into finances

told me he ~~got~~ had place in PB
mentioned he knew Trump
JE said he & Melaina so much fun

think I left around 2p next day
GM wrote check gave me

he so into himself - I know he didnt
commit suicide

asked me to do things

I told no - he got angry

he said he couldn't relax

help me

he said rub my feet - helps me relax
then ankles

calves

thighs

I said think this enough

he want me keep doing it

I want you to do it

I said no

he rubbed himself

Same thing happened

Gm gave me creeps - way she looked at me

felt like she was a lesbian

made me feel uncomfortable

She's a bad person

She told me to rub his feet

And I asked

Gm say he likes feet rubbed

helped him put jog clothes on

I had told him [REDACTED]
didn't want him to think he
could manipulate me

he had tried to impress me w/ money

I was nurse at [REDACTED]

he was very intimidating
very cunning

I got very bad vibes from her
