3108715350	9176920853	<p>"Yes thanks [REDACTED].. am sure I am fine as I have processed a lot through the years but this justice process is all new to me. but i feel good and happy and serious to have spoken out but it exhausted me temporarily. I stopped everything I was doing & booked a staycation in a hotel last week and relaxed & did nothing. FYI : Girl to girl- amazing new additional personal euphonies coming out though since speaking about it .Like I literally turned down dating every successful guy and married the poorest(he currently lives in another state for work), I didn't have kids etc ! thanks best Anna "</p>	Jul 14 2020 - 11:26 AM	N/A	sms

3108715350	9176920853	"1. Hi [REDACTED] hope you well. Just sent you email. Got off w solicitor in London. One of best in the UK. He said in UK system, I need other women to come forward since one of my witnesses is dead. I need to find a way to know if he raped or had relations with any epstein girls. My hunch and facts say he would have."	Aug 04 2020 - 1:01 PM	N/A	sms

3108715350	9176920853	"Any help you can be or will i have to do a scary public call? I see as of yesterday Tony Blair's name is appearing in newspapers as being in the lists back from the 90's so it matches. I just want fair justice , for all women and me , and it stopped. It's so sad that a rape victim has to have a guy do it multiple times to count.. thats a legislative human rights matter worldwide. It needs to change. Best Anna Wilding"	Aug 04 2020 - 1:01 PM	N/A	sms
