[REDACTED] I got this call from [REDACTED] last week just before the arrest, so didn't want to add any additional burden at the time, but could we please ask you to give her a call back? I assume she wants to ask about the hard copy documents we gathered from her when we met, but if you could please just get the specifics from her?

And then we can figure out whether we're able to return that stuff. Thinking about it briefly I think we probably can, but let's chat after you've spoken with her and we can make a final decision. Thank you!
