Dear Agent A.....A (for privacy)

I am disgusted in the below email from NSW police regarding my record request when my life was stalked and threatened. This is everything that is wrong with the world. . This man is basically saying it was ok to threaten to kill me , and me , not get justice.

Are yourselves able to put the record request in for me or do I have to go to the media about this disgusting decision.

Given this involves a rape case and more I require the records. This is Unbelievable . I had threats made against my life - which I have confirmation on email from [REDACTED] .. which I have a copy of. .. it's very much also tied up Epstein... and Weinstein and the Australians are not letting me pursue justice. Amanda do you know what recourse I have on this given the significance facts at hand? My rape was not unimportant. The threats against my life were not unimportant. I , because. I am female am not unimportant. This kind of digustinv patriarchal make attitude has to stop.there is no excuse at all not to give me my records. Can you compel the Australian New South Wales police dept in your authority?
