### FISHING TRIP

A couple goes on vacation to a fishing resort in northern Saskatchewan.

The husband likes to fish at the crack of dawn; the wife likes to read.

One morning the husband returns after several hours of fishing and decides to take a nap.

Although not familiar with the lake, the wife decides to take the boat out. She motors out a short distance, anchors, and continues to read her book.

	<p>Along comes a game warden in his boat. He pulls up alongside the woman and says, "Good morning Ma'am. What are you doing?"</p> <p>Reading a book, " she replies, thinking, "Isn't that obvious?"</p> <p>You're in a restricted fishing area, " he informs her.</p> <p>"I'm sorry officer, but I'm not fishing, I'm reading."</p> <p>"Yes, but you have all the equipment. For all I know you could start at any moment. I'll have to take you in and write you up."</p> <p>"If you do that, I'll have to charge you with sexual assault, " says the woman.</p> <p>"But I haven't touched you, " says the game warden.</p> <p>"That's true, but you have all the equipment. For all I know you could start at any moment."</p> <p>"Have a nice day ma'am, " and he left.</p> <p>MORAL: NEVER ARGUE WITH A WOMAN WHO READS. IT'S LIKELY SHE CAN ALSO THINK.</p> <p>LOL, made me think of you lady!!</p>
