Good afternoon Cynthia:

Thank you for your response.

Please expand on the purpose of the wire by responding to the below questions. Please provide as much detail as possible.

- What type of services did PLAN D, LLC/Mr. Epstein provide to BV70 LLC at a cost of \$22.5MM?

- KYC indicates the purpose of the account is to hold the funds necessary for the costs associated with owning/running one of Jeffrey Epstein's airplanes. Your response below indicates that BV70 LLC is an entity that owns Mr. Black's yacht. How do these correlate?

Please provide any additional information you may have regarding the transaction and/or relationship.

Kind regards,

Michelle Gabriel

Good afternoon Brad & Cynthia:

I am sending the below request to you both, as I see Stewart Oldfield is out on MTA. Any assistance you can provide would be greatly appreciated.

As a part of the PWM anti-money laundering monitoring program, the PRIME system is used to automatically identify transactions that meet certain high risk transaction patterns. When transactions occur which mimic those patterns, the activity must be researched to confirm that it is legitimate.

In a small percentage of these cases, Compliance must contact the Wealth Advisor for additional information about the account in order to conclude the research process. Your response is required for the Bank to comply with federal guidelines for concluding the research of these matters in a timely fashion. Your complete response must be received within 5 business days.

To the best of your ability, please provide details regarding the item(s) below:
