You deserve fairness in all things at all times and I will ensure that the doctrine of fairness is incorporated. I have asked for some research on a few other items and then you and I will sit down and do what's right. Stand by. Xoxo

that was helpful, issues, I have before never been on this side of the table , so its amusing, finders fee and pre deal interest , is funky, leasing fee is a small adjustment, I appreciate your first suggestions, reduce mgmt fee to 5 % . maybe even less for a couple of years , as the lack of cap ex , did not help the property. my tummy says that half the pre deal interest , needs to be credited back to me but only IF THIS number and its origin is correct. needs further review. . I suggest the following , I buy fuel at cost , or free, I get reduced rent , and slips if not free.for some period, somehow make up, with your consent , what appears to have been mostly my oversight. I deserve it,
